Chad – Can you look through this? Mostly look at inspections and enforcement actions and possibly over site evaluations and IRLs. I believe the only enforcement action we have right now is with Nonresponsive based on revised scope for which the SCAFO just went into concurrence last week.

I'm attaching the docket. If you have any problems making heads or tails over it, let me know, and we can work through it together.

Thanks.

Subject: ICIS Monthly Reports for data quality review (October)

Hello,

Joan Dent has uploaded the standard monthly ICIS Data Reports to the ECAD SharePoint Site (link below). Please review pertinent information for your programs and contact Joan or myself **no later than December 3** if you need corrections or additions.

Ex. 6 Personal Privacy (PP)

Thanks.
Moshood.
